Dear Valued Patient:

Seton Family of Doctors and Austin Regional Clinic (ARC) have worked together to provide health care services in the Round Rock / Williamson County area. Seton continues to be committed to the delivery of health care for you and/or your family that is close to home and convenient to our Round Rock patients. After much thought and consideration, ARC and Seton will close the ARC Summit location on April 26, 2017 and Seton will add additional locations/doctors in the area to provide extended hours and weekend service for our patients.

As a part of this transition, Drs. Urmila Parthasarathy and Enas Pruitt will no longer be seeing patients at the ARC Summit as of **April 26, 2017**.

***You Have Several Options for Primary Care after April 26, 2017***
