## Accepting New Patients Today: Adults & Children

ARC Leander can provide the medical needs for you and your family, all in one place.

### Meet Our Physicians

#### Rodolfo G. Gutierrez-Macias, MD

*"I chose medicine as an opportunity to integrate service, science and humanism to benefit the people who are in need of health care. I listen to and involve my patients in their health care, providing them with the tools to make their own health choices. The more involved my patients are in their care, the better the outcome."*
